THE MINISTER OF COMMUNICATIONS (SHRI BENI PRASAD VER-MA): (a) to (c) Improvement and modernisation of mail transmission and delivery is a continuous process. The Department takes various steps from time to time in this regard. No specific time limit can be set in this regard. Some of the steps taken are:—

— Sorting of machinable mail in Bomaby and Madras on Letter Sorting Machines to expedite sorting.

— Installation of Very Small Aperture Terminals (VSATs) to speed up transmission of money orders to remote, hilly and backward areas of the country .72 such VSATs are already operational.

— A new service called Express Parcel Service has been introduced for speedier transmission of parcels from the 8 metropolitan cities to major State capitals. Besides, the Speed Post Service is strengthened for speedier transmission and delivery of premium mail.

— In the case of mails posted in bulk, the mailers are encouraged to do pre-sorting to ensure expeditious transmission of such mails to the destination.

— Special arrangements are made to sort and despatch Corporate Mails and Festivals Greeting Mails posted in the peak season of June to December.

— Rationalisation of mail processing by prioritised and segmented handling of mails of different categories according to their time-sensitivity.

— Regular check of paymeny of money orders, particularly in villages and effects to ensure supply of adequate funds for money order payment.

— The transmission and delivery of mails and money orders is continously monitoried at various levels and routing of mails is revised periodically after review.

— Use of Private Airlines, in addition to Indian Airlines for conveyance of mails.

— Supply of mopeds to postmen serving in heavier beats of selected cities.

— Computarisation of registration sorting work in major Mail Offices in a phased manner.

— Modernisation of Mail Offices to improve the efficiency of operation by supplying modern operational equipments and furniture.

Security Forces Posted in North-Eastern States

597. SHRI W. ANGOU SINGH: Will the Minister of HOME AFFAIRS be pleased to state the details of the number of security forces now posted in the North-East States; State-wise?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI MOHD. MAQBOOL DAR): Central forces are made available to the States to assist them in maintaining public order. The level of deployment depends upon the requirement of each state and the overall availability of forces. Keeping in view the present security scena in North-East, the Central forces have also been deployed there. However, it may not be appropriate to indicate the details of forces or level of deployment in public interest.

मध्य प्रदेश में टेलीफोन कनेक्शन हेतु प्रतीक्षा सूची

598. **श्री राघवजी:**
श्री अजीत जोगी:

क्या संचार मंत्री यह बताने की कृपा करेंगे कि:

(क) आज तक की स्थिति के अनुसार मध्य प्रदेश में जिला-वार टेलीफोन कनेक्शन हेतु कितने व्यक्ति प्रतीक्षा सूची में हैं;

(ख) वर्ष 1995-96 में जिला-वार कितने नए टेलीफोन कनेक्शन दिये गये;

(ग) वर्ष 1996-97 के दौरान, प्रत्येक जिले में कितने नए टेलीफोन कनेक्शन दिये जाने का प्रस्ताव है;

(घ) प्रत्येक दूरभाष केन्द्र की जिला-वार विद्यमान और प्रयुक्त क्षमता कितनी-कितनी है;

(ड़) क्या सरकार का विचार दूरभाष केन्द्रों की विद्यमान क्षमता बढ़ाने का है;

(च) यदि हां, तो तत्संबंधी जिलावार ब्यौरा क्या है; और

(छ) यदि नहीं, तो इसके क्या कारण है?

संचार मंत्री (श्री बेनी प्रसाद वर्मा): (क) से (ग) ब्यौरे संलग्न विवरण में दिए गये हैं (नीचे देखिए)

(घ) सूचना एकत्र की जा रही है और इसे सभा-पटल पर रख दिया जाएगा।

(ङ) जी हां।

(च) ब्यौरे संलग्न विवरण में दिये गये हैं।

(छ) उपरोक्त पैरा (च) के उत्तर को देखते हुए लागू नहीं होता।

Cost of Irrigation Potential

599. SHRI MD. SALIM: Will the Minister of WATER RESOURCES be pleased to state:

(a) the cost of creating one hectere of irrigation potential in Major and Medium sector at current prices;

(b) the cumulative irrigation potential created at the end of Seventh Five Year Plan and the total cost involved; and

(c) the gap between potential created and potential utilised?

THE MINISTER OF WATER RESOURCES (SHRI JANESHWAR MISHRA): (a) As assassed by the Working Group on Major & Medium Irrigation programme set up by the Planning Commission for the Ninth Five Year Plan, the cost of creating one hectare of irrigation potential in Major & Medium irrigation sector is around Rs. 66,570/—with respect to the level of expenditure at the beginning of Eighth Five Year Plan.

(b) The cumulative irrigation potential created since the beginning of Firsi Five Year Plan to the end of Seventh Five Year Plan (excluding that created during pre-plan period) is 53.93 million hectares comprising 20.22 million hectares through
